Invitation

Prime Meetings 2023 welcome you to participate at the Global Meet on Mechanical and Mechatronics Engineering

Which is scheduled on AUGUST 21-23, 2023 LONDON, UK

We are gathering a world-class panel of expert speakers to address you from both, international and Regional communities. This congress will provide you with a platform to share experiences and discuss breakthroughs in various specialist fields and a necessary criterion to successfully assess expand your own practices. We have included keynote lectures, round table discussions, video sessions and latest research in Technology covering a wide array of topics for you to be introduced to the latest technologies and techniques in the field of Prime meetings 2023.

Prime meetings 2023 will also have several workshops and from the wide array of presentations submitted to us by the research committee, the scientific committee will choose the best ones to be presented during the congress and the best presentations will be recognized and awarded.

We have kept the registration fee at affordable rates to encourage the participation of young upcoming practitioners and scientists. The congress venue is conveniently located in the centre of the city, close to the airport, metro stations, and shopping destinations. We have great pride in welcoming you to London.

We are confident that this Congress will exceed your expectations, offering an exciting scientific event as well as an enjoyable social and cultural experience.

Regards

T. Olivia

About Conference

Greetings from GMMME2023!

I am cordially inviting you to join on Global Meet on Mechanical and Mechatronics Engineering (GMMME2023) will be held in London, UK during August 21-23, 2023 as an Invited Speaker. The conference will be the best platform for the Mechanical and Mechatronics Engineering forum to share and exchange your ideas and your research.

The meeting is aimed to expand its coverage in the areas of Mechanical and Mechatronics Engineering where expert talks, young researcher's presentations will be placed in the meeting will be inspired and keep up your enthusiasm. I believe that your presence at the conference will add one more feather to the crown of GMMME2023.

For more information about summit,

We look forward to hearing a positive acknowledgement from you and tentative title of talk.

Let us know your willingness to let you know more about us.

Thank you for your time and looking forward.

Who Can Attend

Scientists

- Industry Professionals
- Research Scholars
- Professors
- Practitioners
- Universities & Institutes
- Educators
- Researchers
- Engineering Students
- Delegates

Business

- B2B Marketing
- Manufacturing Companies
- Biomedical Industries
- Industrial Professionals
- Entrepreneurs
- Business People
- Pharmaceutical Companies
- Exhibitors
- Sponsors
- Media Partners &
- Collaborations

Why Attend

- Educational & Job opportunities
- Networking with Academic & Business people
- Discuss the latest research in the field
- Improve your presentation and communication skills
- Participate in debates & Share your ideas
- Get an international exposure
- Learn different cultures

Benefits

- Career Development
- Make Connections
- Meet speakers face to face
- Convenient to All

Highlights

- **Advanced Manufacturing**
- **Advanced Manufacturing**
- **Aerodynamics**
- **Applications in Systems and Engineering**
- **Applied Mechanics**
- **Artificial Intelligence**
- **Automation**
- **Biomechanics**
- **Fire behavior and combustion processes**
- **Fluid mechanics**
- **Green energy**
- **Green Manufacturing**
- **Heat and Mass Transfer**
- **Human-Machine Interface**
- **Intelligent Control**
- **Internal Combustion Engines**
- **Mechatronics**
- **Microelectromechanical systems**
- **Micro-Machining**
- **Modeling and Design**
- **Modeling of Processes**
- **Optimization of Systems**
- **Reverse Engineering**
- **Robotics**
- **Sensors and Actuators and Networks**
- **Solid Mechanics**
- **System Integration**
- **Thermal engineering**
