# INVITATION

Dear Attendees

Prime Meetings proudly announces the **2nd Global Meet on Nanotechnology** scheduled during **JUNE 24-26, 2024 in Porto, Portugal**

The conference emphasizes the theme “**Recent Innovations and Ideas in Nanotechnology**”. The GMNANO 2024 gathering gives a mind-blowing opportunity to discuss the latest progressions inside the field. This conference brings together the innovations in Nanotech and brings the key opinion leaders and thought leaders in the field from around the world for two intensive days of scientific presentations, networking as well as engagement with companies developing innovations in tools and technologies in this space. The purpose of GmNano2024 is to provide an international technical forum to showcase recent advances in International conference on Materials & Nanomaterials conference operation committee is providing a platform for all the budding young researchers, young investigators to showcase their research and innovation.

# Conference Highlights

- Advanced Nanotech
- Synthesis and Characterization of Nanotech
- Composite materials
- Polymer Nanotechnology
- Nano Materials
- Energy at the nanoscale
- Bio microfluidics
- Nano Magnetism
- Polymer Nanotechnology

**Register Now** 

- Biomaterials and Nano Biotechnology
- Nanotechnology for Energy and Environment
- Nano-Optics
- Nanotech in Food Agriculture and Water
- Nanophysics
- Precision Engineering
- Energy conversion and storage

# PORTO ATTRACTIONS

Porto is a coastal city in northwest Portugal known for its stately bridges and port wine production. In the medieval Ribeira (riverside) district, narrow cobbled streets wind past merchants' houses and cafes. São Francisco Church is known for its lavish baroque interior with ornate gilded carvings. The palatial 19th-century Palácio de Bolsa, formerly a stock market, was built to impress potential European investors.
