About Traditional and Alternative Medicine -2022

Greetings from Prime Meetings!!

Prime Meetings cordially invite you to attend the “Global Meet on Traditional and Alternative Medicine” which is going to be held during December 01-03, 2022 in Bangkok City. We welcome you to join us and share your knowledge and view on the theme “Exploring New Horizons in Traditional & Alternative Medicine”.

GMTAM2022 will have 5-6 world level (Highly cited class) plenary speakers, established Keynote speakers, active Invited speakers and fresh contributed speakers. In addition, variety of poster presentations along with workshops and special sessions would be interested in audience.

The aim of the GMTAM2022 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists by bringing together the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Traditional and Alternative Medicine. We sincerely hope that GMTAM2022 serves as an international platform for meeting researchers from around the world, widen professional contact and create new opportunities including establishing new collaborations.

Venue information

Bangkok is the capital and most populous city of Thailand. Bangkok is one of the world's top tourist destinations. It has attracted millions of visitors annually for decades, offering tourists an incredible experience of cultural tradition-meets-modernity. It's got world-class food, stunning historical landmarks, and some of the best hospitality around the globe. MasterCard ranked Bangkok as the top destination city by international visitor arrivals in its Global Destination Cities. The city is also famous for its dynamic nightlife. Bangkok has a good public transportation system, with both above-ground and underground trains covering a good portion of the city.
